Bay Gelding

Sire: Schiaparelli (GER)

Dam: La Harde (FR) (Valanour (IRE))

Good things come in small packages which is the reason we purchased this horse at the Goff's Doncaster Sale in May.

An athletic, forward going gelding by Schiaparelli who has already grown since having a summer at grass. Unlike so many of the sires progeny, we think this horse will come together quite quickly and could well be running in bumpers in the spring.

His dam has produced one winner, but his grand dam has produced plenty and comes from a really good family; we are sure he will be a fun horse to be involved with.
