

UNNAMED (USA)

4th May 2016

Chestnut Gelding

Sire: Schiaparelli (GER)

Dam: Bisaat (USA) (Bhari (USA))

By Schiaparelli a top class 11f- 2m winner with a fantastic pedigree by leading sire Monsun. His dam Bisaat has produced 5 winners(flat and Jumps) from 6 runners and is from the family of 1000 Guineas winner Lahan, Dewhurst third Finjaan and Gr2 second and jumps winner Alwaary.

A big imposing individual typical of his sire, we are massive fans of Schiaparelli and like all the others we have purchased he is a true athlete who really puts his head down and walks. He is certainly one for the future but we would hope to start him off in bumpers in the spring, as he qualifies for the Tattersalls Ireland 100,000.00 euros Bumper!

A 10% share is either £3,895 plus £249 per month from February 2020 or a discounted one off payment of £7,669 covering the purchase of the horse and all training and racing expenditure to May 2021.

You will also have the opportunity to name the horse and syndicate plus choose the racing silks.

We really believe that this horse is excellent value, please call Peter Kerr now on 07901763643 or email peter@kimbaileyracing.com
