## GUERLAIN BELLEVUE (FR)

2nd April 2016

Bay Gelding

Sire: Diamond Boy (FR)

Dam: Venise Bellevue (FR) (Roli Abi(FR))

A very striking individual who is totally French bred with stacks of winners in the pedigree.

He is the most amazing mover and has a great attitude, giving the impression he wants to get on with life.

He is another one we think will be forward enough to run in bumpers in the spring and we think he could be a bit special.
