Grey Gelding

Sire: Al Namix (FR)

Dam: Ambroise (FR) (Epalo (GER))

This striking grey gelding by leading French sire Al Namix, a smart 10f performer and sire of top quality progeny including Grade 1 winners Saphir Du Rheu, Grandouet, Elixir De Nutz and Petit Mouchoir.

His dam Ambroise was herself a Graded winner over hurdles winning £293,611 in prize money and hails from the family of Graded hurdles and chase winner Saute Au Bois.

We just love this horse, he is every bit a future chasing star and will suit anybody who loves the old fashioned jumping horse as he is so imposing. He is not one to rush but one to treasure and your patience will be rewarded when he finally fills his frame. A great pedigree and a stunning horse, he is the future.
